

## 2020 VIRTUAL TEACHER GRANT CAMPAIGN

### HELP US HELP TEACHERS

Since 2003, the Frenship Foundation for Leadership has awarded more than \$1,000,000 in teacher grants and student scholarships. Last year, the Foundation awarded nearly \$60,000 in teacher grants to Frenship ISD educators thanks to the generosity from the community. Due to circumstances surrounding COVID-19, the Frenship Foundation could not host the 2020 Benefit Concert that would have supported the teacher grant initiative. We are inviting you to join our virtual campaign efforts to support teachers and education at Frenship ISD. See how you can get involved.

#### **CORPORATE GIVING:**

The Foundation invites the business community to sponsor a teacher grant in any of the following amounts:

- \$500 - digital exposure on the Frenship Foundation website and social media
- \$1,000 - digital exposure on the Frenship Foundation website and social media, naming rights to one grant
- \$2,000 - digital exposure on the Frenship Foundation website and social media, naming rights to two grants
- \$5,000 - digital exposure on the Frenship Foundation website and social media, naming rights to five grants

#### **COMMUNITY SUPPORT:**

The Foundation relies on all levels of giving. This may include teachers giving to other teachers or parents supporting Frenship ISD teachers. Please help us help teachers by giving in any of the following amounts: \$10, \$25, \$50, \$100.
